## Art

I sometimes make drawings as a way of creating extra energetic support for my clients.

And I send these drawings to my clients as simple PDF files.

Now some of these drawings are here on my Website, too.

I love the following quote by Martha Graham, and I always keep it in mind when being creative:

“There is a vitality, a life force, an energy, a quickening that is translated through you into action, and because there is only one

of you in all of time, this expression is unique. And if you block it, it will never exist through any other medium and it will be lost. The world will not have it.”

In 2019 I started taking polaroids of flowers, trees and other plants. And I listened to the messages that they had. You can find each message on the second page of each PDF file.
